

TEST CERTIFICATE

Certificate No: 05260120-101

Test Report No: 00000120

Date of Issue: 19/05/2026

Standard No: UL 162:2024

Issued To

FLAME ARMOR FOR INDUSTRY

Riyadh Al Uraija district Mohamed, Bin Dunar 14913, Kingdom of Saudi Arabia.

Product Description: Aqueous Film Forming Foam Liquid Concentrate AFFF – 3%

Sample ID: 2605-102-5990

Country of Origin: Saudi Arabia

Based on the tests carried out at Fire Test & Research Laboratory (FTRL), the above-mentioned product has been tested in accordance with the requirements of Standard **UL 162:2024** and any specifically identified applicable clauses referenced in Test Report No. 00000120. The results obtained indicate that the submitted sample(s) complies under the specified test conditions.

Limitations and Conditions

- This certificate is issued based on testing of the submitted sample(s) only.
- The results relate only to the tested sample(s) and shall be read in conjunction with Test Report No. 00000120.
- This document does not represent product certification, batch approval, or factory surveillance unless explicitly stated under a separate scheme.
